THE ARMSTONG AND WHITWORTH GUNS NOT DAPTED TO MARINE WARPARE. - An expe enced ordnance authority, an English officer, riting from London, says that in naval gunnery anon are, he states, admirable under certain the rough and ready peculiarities of American and French ordnance, and the ease with which they can be kept in order, in apits of the unfarable influences of a sea-light, render ther perior to the new and costly armament of Bri of war comes," wiltes the correspondent, "are s useless as were tha pompons of the Gnards in

Wa learn from the New Orleans Picayune of Tnesday, that a rumor was rife in that city on Monday evening that several ships of war had made their appearance off the Balize. The report came through the Captain of the Mexican schooner Hrilliants, which arrived that day from Campeachy. The Captain states that two ships of war and a steamer were in sight the day be-fore his arrival, and after being towed into the Pass by the steam-tug Thecarors, the tug put out towards these vessels, and finding them to be ships of war immediately returned. These ships are supposed to be the frights Sabine, sloop St. Louis, and steamer Brooklyn, which during th

JAMES GUTHRIF. I NEW STATE CENTRAL COMMITTEE. Wm, F. Bullock, James Speed, Wm P. Bonne, Hamil on Pope, L. E. Harvie.

SATURDAY, APRIL 20, 1861.

We cannot call attention to all the mat to of interest and importance in our telealty, of patriotism, is a far mightier one. t are following each other all over the untry more rapidly than the billows of stormy sea. The whole nation is in fearful tion. What is now occurring everywhere around us will be regarded by coming nerwien as constituting ore of the darker to avert this awful state of things, but that

stuce on folly and shape of this act read the usion of the recent speech of the Hon. Summers in the Convention which present most deplorable condition of things. we publish to-day. In the broad and lucid To prove that the North is most in fault or al queues of one of the greatest of Virginia's that the South is most in fault would not "make one hair white or black." The questions of Virginia's crime. We vi-100 Deseatenes - The Pennsylva- done in the past, but what is our duty in the

we attacked by a secession mob, and men contemporary, what are we to do? What were died on both sides, shiefly on the side are the great obligations growing out of of the most the Virginians made arrangements the most unhappy circumstances that sir-fir the scirum of the Harper's Ferry Arsenal. United States Government, had placed obstroc-tions in the river, thus shutting him in, turned the direct interposition of God, to whom both which divide us from Kent tions in the river, thus shutting him in, turned the direct interposition of God, to whom both them to have the obstructions removed

Capt. Pendergrast, like Col. Anderson, is a likely to be in favor of one as the other—just Kentuckian. Both were born in Jefferson as likely to secure the success of wrong as the ounty, and both are worthy to bear the Ameririm broadsides will belch flame and iron. that can affect humanity, to sid in the sup-

han ten days, the voice of the people of Ken-natural, and utterly impotent. tucky will be raised, with a unanimity never with a unanimity never to atop the contest by burying at once and forthe armed neutrality or armed mediation of the Commonwealth between the Government of the Union and the secoding States. And we doom the present indications entirely trust-worthy.

To the hundred of thousands, who deplore civil war as the most horrible calamity that can befall a nation, to make their voice heard in tones loud enough to drown the thunder of Suthern in

fully. And each passing development of the hour but renders the popular comprehension of bloodshed in a sectional quarrel, where the the fact more vivid and more complete. It is triumph of a victor and the death of a victim nts in this unnatural strife.

she will not fail now, when her true mission is one of the highest and holiest that in all the public annals of the world have ever appealed to a free and independent community, and when the gaze of a perishing country is turned to her in supplication and in hope. Kenter than a plain as valued for the Administration to conquer the Confederate States.

The belligerents had better make peace now than when both, after the shock of a great least of the Luice, and you cannot limit the country but per the construction of the country but per the confederate States.

The belligerents had better make peace now than when both, after the shock of a great limit, or of a hundred great battles, shall lie. will you ignobly and insanely "?

wer to this question throughout the bounds of the Commonwealth. When the post of interest is also the post of duty and of honor, Kentucky will assume her position with no divided voice.

A deepatch from Louisville says there is great danger of a mob attacking the Journal chie, which, under the gallant Profitie, still stands out toldly for the Union.—N. Y. Times. April 17.

We do wonder who can have sent such a

erning of the State, we meant neither to ex-

The conditions, upon which the Banks of

will create an immense sensation in her land-of-oriented will agree to make a loan to the State the application of few. B. Magoffin, of their spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of a sum to put the State in a position spritten of the State in a spritten of the State in t

derstand that one or more of the othanks specified verbally the same conditions. An Ohn Patriot —Au old gen len an These conditions, however, as may well be sup. named Matthew Adams, who lives in Indiana sed, did not at all suit the views of Governor three or four miles from here, visited us yes-Magoffin. They were not accepted by him, terday in our office. He informed us that he is nowards of a hundred years old, that he the. He could not now, we are very conficat, obtain from the bank of Kentneky the scriber to the Louisville Journal for thirty years terms rejected by him. Much as we desire to and can read it without spectacles, and that he would now, even if he were in the vigor of the state armed in a proper way, we resource at this result. If the Banks were to loan youth, give his heart's blood to save the Union the state of the state of the same that the same transfer of the same that the same transfer of half a million to the Governor upon the mere declaration that it should be used for the den of Kentucky, they would have no guar enough to see every stain erased from your country's escutcheon, and the brighiness of h r glory restored.

would, from the very face of the agreement, have the full power of deciding, or the strong-walled disunsonists continually around him around you. Sit under unsbrageous trors. rould have the full privilege of deciding for Unpin your collars. Unbutton your vests. him, what the "defence" of Kentucky required.

Make niggers fan you. Drink ice water. la be "defence" or they could, for instance, decide, that

remirely required that she should at once John C. Breckinging.—The sheep of conde from the Union, and join the Southra Confederacy, and use the half million of l'annege leaped from the procipice into the sea, b dollars and as much more as could be raised to seems the power of the United State Govthe precipice. John C. Breekinridge undertakes this afternoon to imitate this bellwether

There is not a shadow of doubt in our minds that the object of the Governor, in writing he proclamation three or four days ago for convening the Legislature on the 29th of this month, was to obtain from that body a bill for raising money, and a bill calling a State Convention—two bills for getting Kentucky out of the Union. He can that proclamation to the special proclamation to the special

public printer for publication and came to Louisville; but his dissuance friends at home, seeing good reason to fear that the Legislature, if convened, would not act in the interests of dissuances, telegraphed to him here to be put at the Helm.

The land that proclamation to the process against and what the Convention John Young Brown, the eloquent Union champion, held a discussion a few days ago, like the limiter less of dissuances and the Helm.

Brown showed that he was exactly the man to be put at the Helm.

The mere apprehension of Virginia's bar fate, instantly and forever, is to be settled by S the movements of Virginia. You cannot make a factor moves in caused her bonds to fall to 57. What the movements of Virginia You cannot make a factor moves in the way of second in Virginia without the printing of the printing of the movements of Virginia and the movements of

ucky choosing to tru I to the chances of his eing able backed by their active and influen-

rislature, but will call a convention. these days, disunion functionaries, with isunion advisers, usurp without hesitation The Union men, we have no doubt, are a re vigilant by day and vigilant by night, they will find themselves suddenly and unexpectedly shorn of their strength, bound hand and foot. cular s to t is institution. and betrayed into the power of their own and their country's enemies. Oh well, if law- and di plighted faith is to be disregarded, if the best of viril of wild anarchy and revolution is to run riot among us, let those, who think they can

ride the whirlwind and direct the storm, heware lest the whirlwind and the storm das them to destruction. The spirit of disunion is a mighty spirit, but the spirit of Union, of loy-thange that position for a birder at ituda alon the line of States, no longer on nected with you Whilst the ominous sounds of prepara-Whilst the conflict are blending in a n-st which are primate to not be not been an are unnous roar upon every Northern and every Southern gale, we can at least cherish the

reflection, whilst it soothes our conscience.

There seems to is no doubt that the Virtuana tribes entired in the back and raging gulf of action in the black and raging gulf of actions upon the best hopes of mankind are to be blasted by sectional inadness.

The control is no doubt that the Virtuana tributes the deep grief we feel at the distribution of an action that the black and raging gulf of actions the best hopes of our country and the best hopes of mankind are to be blasted by sectional inadness. a to the causes that have brought about the that concerns our race, is, not what 'as leen and the United States from set fire to and abandoned it; and Captain Pendegrast in the questions that separate the heligerents of Charleston has not changed the nature of the region represented in part by introducing the questions that separate the heligerents of the United States ships at Norfolk, on will the success or defeat of either party in this contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position of the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or affect the principles upon which we have acted the contest necessarily after our position or an unique to principles. broad-ides to both cities and compelled sides appeal with equal fervor, the result of one battle or any number of battles is just as bad men are frequently concealed under the state of the personal regular possession of sta, but we have listle doubt that Capt. P. any cause we may espouse. Our plain duty is and the care of our lowing t has given or will give notice to Portsmouth and to plead for peace; to appeal to all within the Norfolk, that, at the first show of assault, his sphere of our influence, by every consideration as or, and never The present indications are, that, in less pression of a strife that is at once unholy, un-Is it not in the power of the Border States

post of affairs, can pursue no other course with men who encourage this wicked conflict? Let us due or even decent regard to her own paramount not content ourselves with hewailing our help-interests and her own honor. She can take side in this fratricidal strife without men who have sown the wind are reaping the stabbing both herself and the fainting country wirlwind, and that we have done nothing to in a vital part,—without overwhelming her ame with the double guilt and folly of suicide and of liberticide. This fact is simple and satisfies the people compared to mourn over the success of either side, however it involves it involv

chearer as events disclose themselves, that, in the present unparalleled conjuncture, the true soution and the true mission of Kentucky is that no possible profit can accrue to either side from an appeal to arms. It is not possible for seven Kentucky has never yet proved herself uncshe will not fail now, when her true mission Border States. It is not probable that the

orn-hope of the Union, and you cannot liattle, or of a hundred great battles, shall lie where k from the high position without sacrifi-eing your own most sacred interests. Will you hansted. And as for us of Kentu ky and d firm and glorrously in the breach, or you ignobly and insanely v? There will be heard presently but one an-

We trust that we need not repeat the aserrance, that, in what we said yesterday as to whisper has ever been breathed in this city the impolicy of the loaning of a large sum of hinting of danger to the Journal effice from a mer by the Banks to Gov. Magorin for the diagnion mob, we have had no intimation of

presence to timply any imputation upon the colorer confidentially indeed. We deprecate the covernor's integrity. We regard him as an all mobs, no matter against whom or what consect and homorable man, but we believe that their efforts may be directed, but if any of the their efforts may be directed, but if any of the disunionists in this neighborhood think themvery great eatent under the influence of dis-unionuts, and that the money applied for ly him is wanted by disamionists for disamion pur-posis. We have not the slightest doubt as 10

Kentucky was willing to loan her quota to the Our fat friend Homphrey Marshall declared most vehemently at La Grange the other day, after reading a telegraphic despatch Wireneas, It is represented by a committee on chalf of the Governor of Kentucky, in the abspace of the Lagislatura, and to avoid the expense of the Lagislatura, and in view of the observant according to the State of a Convention or another called the lagislatura, and in view of the observant according to present according to present according to the coming, headed by a two-legged candle-mine and exception to present according to present according to the coming, headed by a two-legged candle-mine and exception to present according to the coming, headed by a two-legged candle-mine and exception to present according to the coming that the composition of the committee of the commit and present aggression or in-from either the North or the North and to t the present status of Kentucky in the theoretors, therefore, the marmed condition of the Commission of the marmed condition of the can catch him and ty him, the result
